Welcome

to St. Vincent's Catholic Primary School

Auction 2017

Thank you for supporting the annual St. Vincent's Auction. This event is the school's biggest fundraiser and over the years has enabled us to provide wonderful learning opportunities for the children and to purchase a range of exciting resources. As well as supporting building works in the school such as the amazing Creativity and Reading Rooms, the funds raised have enabled us to upgrade all the computers within the school. We want our pupils to be fully prepared for their future! The children have also explored the many attractions of London and had the opportunity to work with artists and authors to enhance their creative curriculum.

This would not be possible without the dedication and hard work of our committed parents and the generous support of our local community.

This year we are continuing to raise funds to improve our roof playground. As an inner city school it is essential that the children have an attractive playground where they can participate in exercise and have the freedom to play safely.

If you have helped in any way with our fundraising efforts by helping to prepare for the auction, working on the evening, supplying a donation or bidding on the night – we are truly grateful.

Thank you

Miss Marina Coleman
Headteacher

On behalf of St. Vincent's School Parents Association (SVPA) we would like to welcome you to our 16th Auction. The Auction is made possible by the support of the parents who organise it, the many businesses who donate their products and services, and you bidding generously!!

This year we have an incredible selection of very tempting donations so I hope that as many of you will be able to attend and bid, for those who sadly won't be able to attend we once again have **'BUY IT NOW'** feature which allows you to make purchases ahead of the live auction. Look out for the 'Buy it Now' sign in the magazine and bid successfully.

You can view more information on the items and bid online by following the link on our SVPA website www.svpa.org.uk or the school website www.stvincentsprimary.org.uk

We would like to take this opportunity to thank our many enthusiastic and committed volunteers who have worked so very hard to make sure that all the events were enjoyable and successful.

We trust you will enjoy the Auction night, it is open to all - tickets are not required. Please join us for part or all of the evening, have fun and bid!!

Best of luck,

Mrs Carolina Linares

A BRIEF HISTORY OF OUR SCHOOL

St Vincents Catholic Primary School is a small state funded catholic primary school just off Marylebone High Street with a long history dating back to 1868. We provide an 'outstanding' education (Ofsted 2010) to a diverse international community of approximately two hundred and thirty children with a dedicated and talented team of teaching, support, and administrative staff.

Here is how it all started..

1868 --- The Daughters of Charity opened the school in Beaumont Street W1 in 1868 as a day nursery for the benefit of poor milk women. They named our school after St. Vincent de Paul who was their founder. Like him, they dedicated their lives to serving the poor.

1870 --- The school moved to a new address on Bulstrode Street W1 which coincided with the formation of an orphanage for girls. In 1893, the school was on the move yet again, this time to premises on Wigmore Street W1 as a day school for girls.

1935 --- The construction of the current building began in 1935 and was completed in time for its opening in January 1938 when there were fifty orphans in residence.

1939 --- Eighteen months later and with the outbreak of World War II, the school was evacuated to Bristol. The building survived and was used during that period as a communal meals service, as emergency accommodation, and as a public shelter. After the war, the school reopened without an orphanage. At some point, Little Barlow Street became St. Vincent Street in keeping with the school's name. You can see the original street name today painted on the wall above the signage of the shop on the south corner of St. Vincent Street with Marylebone High Street.

2005 --- In July 2005, with numbers in the order falling, the Daughters of Charity sold their convent on Blandford Street and the school building, to Westminster Council. The sisters are now located around the country, and the school is managed by the Diocese of Westminster in partnership with Westminster Local Authority. Part of the former convent was demolished, making way for a new building which opened in Autumn 2009 to house the Sixth Form Centre for St. Marylebone Girl's School. The adjoining original dormitories building was converted into an office and teaching space for the Sixth Form Centre, while the original Chapel on the ground floor was converted and is now occupied by St. Vincent's Nursery and Reception classes.

SCHOOL trips

● Nursery Trip to Willows Farm

Nursery will be visiting Willows Farm in St Albans on Wednesday 9th June. It is a long way away so we will be travelling by coach which is exciting in itself! When we get there, we are looking forward to seeing and touching lots of different farm animals and learning more about them. We are also looking forward to a tractor ride, visiting Peter Rabbit in his special adventure playground and enjoying lots of fresh air in the Hertfordshire countryside.

Thank you very much to the SVPA for making this wonderful trip possible for us. We are very excited and we can't wait! Love from the Nursery

● Reception Trip to Paddington Recreation Ground

We are really excited to be going to Paddington Recreation Ground in June for a Pond dipping and minibeast workshop. After the half term we will be learning about minibeasts and hope we will find many on the trip, such as a Pond snail and maybe even a water spider. We will use nets to help us catch the minibeasts and we will learn how to observe the insects using magnifying glasses.

We can't wait to learn lots and see some real wildlife!

● Year 1 and 2 Broadstairs Trip

Year 1 and 2 are very excited to be visiting Broadstairs beach. The purpose of this visit is to show the children a different geographical location and explore the varying features of a seaside town. It will also be a fantastic opportunity to celebrate the end of the school year and most importantly to have lots of fun. In addition to this the children will have lots of opportunities to develop hands on skills through sandcastle construction, seaside scavenger hunts, and beach art. We will be travelling by coach which will be a fantastic opportunity to observe our surroundings and bond with our peers. This trip is a surprise for the children and we cannot wait to share this adventure with them in Summer 2!

● Year 3 Stone Age Day

On Monday 27th March we travelled to Paddington Recreation Ground in Maida Vale and took part in a Stone Age day! As a tribe, we travelled back in time 15,000 years. Our first task was deciding on a safe place to set up camp; we had to look out for animal tracks and we found footprints for woolly mammoths, sabre tooth tigers and woolly rhinos! Afterwards, we gathered back together and explored Stone Age tools and animal skins, the animal skins smelt quite funny!

After a lunch, which luckily wasn't wild plants and berries, we had some challenges to complete! Firstly we had to make a potion, we foraged in the edible garden and the forest to find suitable ingredients. Secondly, we learnt how to safely start a fire and we even got to have a go! Finally, we had to build a den and forage for food!

After a wonderful day in the sun, it was very hard to leave! Thank you to the SVPA, we had a brilliant day!

It was the best trip ever, I didn't want to leave!
MG

My favourite part of the trip was being able to make a den and explore the forest!

● Year 4 Roman Experience Day

What a day Class 4 had! We had a special visitor come in to teach us all about life in the Roman Army and in Roman Britain. We learnt all about their uniforms, and got to feel how heavy all the armour was. It must have been hard to carry it all as a soldier! We then trained with pilum (javelins) and scutum (shields) and pretended to be the Romans and the Celts in battle. The Romans could get their shields in position in 1 second; the fastest we could get into formation was 2.21 seconds which we were very proud of!

Some children got to dress up in togas and become very important, so we had to bow to them! Others had to work out how to keep warm in a Celtic home. We then compared this to the Roman homes that they built in Britain. We explored the different rooms and took part in a feast and even got to learn all about the Roman toilets!

We have learnt so much about the Romans,

thank you to the SVPA for paying for our special visitor!

● Year 5 Feel the Force Show at the Science Museum

Year 5 have really enjoyed learning about forces in science this term. To further supplement our learning we will be visiting the Science Museum to watch the Feel the Force Show.

This dynamic show will enhance our classroom learning about the complicated area of forces and magnets. There will be live demonstrations that we have the possibility to take part in, which will be so exciting!

We look forward to finding out the answers to questions: can you ever switch a magnet off? What does 'aerodynamic' mean? And what forces will you find in the Highland Games?

We're sure this will be a demonstration we will be talking about, long after our visit is over. Thank you to the SVPA for paying for our energetic, exciting and educational trip!

● Year 6 Trip to Legoland

Last year at the end of the Summer Term, the SVPA funded a trip to LEGOLAND for Class 6, as a reward for their hard work and achievements during the year. As you can see from the photographs, the children had a fantastic day and really enjoyed their last trip together as a St Vincent's class. We would like to thank the SVPA for their generosity and for helping to make Class 6's final days at St Vincent's so enjoyable and memorable. This year, Class 6 are working just as hard and are hoping that their efforts will also be rewarded!
