

Art

**I can use block printing to create repeating images of the seaside.*

**I can create a beach using a range of materials.*

**I can use a range of techniques (including using salt, blotting and colour mixing) to give texture and dynamism to watercolour work.*

Trips

*Broadstairs Beach
&
A visit to the local
Travel Agent*

Design & Technology

**I can use simple wrapping techniques to create a textile palm tree.*

**I can learn to wrap and manipulate textiles.*

History

**I can find out what a seaside holiday in the past was like.*

**I can use images to find out about the past.*

**I can compare Victorian seaside to today.*

Computing

**I can give simple instructions to control a device, like a Beebot 'floor' robot or on screen object.
I know about the Internet and I am beginning to understand some key, age appropriate, safety 'rules'.

Geography

**I can name and locate the world's oceans and continents.*

**I can identify the United Kingdom and its surrounding seas.*

**I can compare oceans and find differences.*

**I can make comparisons between the Pacific Ocean and the Atlantic Ocean.*

Science

**I can identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals.*

**I can identify and name a variety of common animals that are carnivores, herbivores and omnivores.*

**Wish you were
here /
Around the
World**

Together, through Christ, we grow and learn.

Class 1 Information

Summer Term 2019

Dear Parent(s)/Carer(s),

I hope you all had a wonderful and restful Easter break.

The final term in Year 1 will be a busy but exciting time for the children, with lots of opportunities for creative, cross-curricular learning activities based around our new topic: 'Wish you were here/Around the World.' During Summer 1 we will be exploring 'Wish you were here' where our focus will be seaside holidays. We will explore the British seaside during Victorian times. In Summer 2 we will focus on 'Holiday's around the world'. We will explore countries around the world and link these to our heritage. During both of these topics, children will also learn about beach safety and identify physical features of the beach.

It would be of real value if your child could bring in any topic related items for the topic table – shells, pebbles, sea creatures, diving equipment, fact books and any story books relating to our topic.

Reminders:

P.E. kits: Wednesday (Class 1 will now have their double P.E session on a Wednesday afternoon).

Oxford Reading Tree books: Two books to be returned and changed on Fridays.

Library books: Returned and changed on Wednesdays.

Homework books: Handed out on Wednesdays, to be returned on Mondays ready for our weekly spelling test – thank you.

Key Dates

The Year 1 Phonics Screening Check will be carried out on the week beginning 10th June. Please continue to practise the real and nonsense words that are sent home every week. Many Thanks.

Finally, please feel free to make an appointment at any time if you have any concerns you would like to discuss. Many Thanks.

Miss Jones

Class 1 Teacher
