

Marylebone Square

Community Update

Dear Neighbour,

We would like to take the opportunity to introduce ourselves as the point of contact for Kier Regional Building London & South East who have been appointed to undertake the construction of Marylebone Square

Our project

The works at Marylebone consist of constructing a collection of both high-end and affordable apartments over 5 storey, carefully chosen boutiques and restaurants, and a versatile community hall.

Progress update - November:

- Obstruction in the ground removed along St Vincent Street and Cramer Street.
- Kingpost installation is progressing along St Vincent and Cramer street.

- Adapting of Hoarding and access gates
