

Religious Education: Big Question – 18.5.20

[Click here for a printable version of this task](#)

This task will include a big question to reflect on about new our topic 'Reconciliation'.

We have now completed our topic on 'Pentecost'. It was so interesting to hear about all of your ideas and thoughts around the promise of the Holy Spirit and the coming of the Holy Spirit.

Our new topic is 'Reconciliation'.

Christians believe that, in Jesus Christ, the world has been reconciled to God. Through and in Christ, every human being is offered the power to reach out in forgiveness and peace, to receive and to offer reconciliation.

During this topic, we will explore the Sacrament of Reconciliation. We will discover and understand:

- **Choices have consequences**
- **The importance of conscience in making choices**

When making a choice, it is important to examine your conscience in order to make a good choice and minimise bad effects for ourselves and others. The Sacrament of Reconciliation is a celebration of God's love and mercy; it is about the forgiveness of sin and being reconciled with God and one another.

Big Question

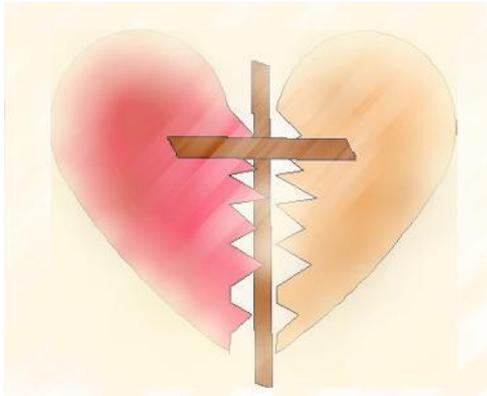

What do the words choice and consequence mean?

Think carefully about these words and write down what you think they mean.

How do these words link together?

Can feelings and beliefs affect people's decisions about choices and their consequences?

Have a discussion with your family members about the Big Question and then write down your response on the blog. I look forward to hearing your ideas.
