

St. Vincent's Catholic Primary School

School Council 2016-17 Newsletter

“What a fantastic job!”

We cannot believe that we have come to the end of our year as School Council members; a big round of applause to everyone at St. Vincent's for the support that you have all given us! It has been a great privilege to represent our classes, we have worked hard but it has also been a lot of fun.

The St. Vincent's Parents' Association have been very generous and amazing, without their support we would not have been able to have our fabulous new Friendship Bench, KS 2 fruit, napkins at lunch time, and we appreciate their help in always trying to include us when they have their events.

A special thanks to Year 3- Jeanne, Jade, Shun, Year 5- Jun and Year 6 – Alexandre who came up with the idea of teaching origami to the children. They now run it at lunch time in the playground. This has proved very successful and we will continue to support them by buying the origami paper and extending this to the Foundation Stage in the new school year.

A big thank you to all our pupils who never stop surprising us with their fantastic enthusiasm for baking for our Cookie Crumble competition. Daniele, our judge from Le Cruiset, loves coming!

Our next Year 5 children will be pleased to know that we have already booked their trip to Parliament. We know that they will all enjoy this wow experience! We hope Mark Field, our MP, will visit soon.

We are leaving the School Council having learnt many skills such as how to chair a meeting, speak to groups of people, write letters, come up with ideas, count money and listen to others' views. We say goodbye to our year 6 councillors, Hikari, John and Louis; we wish them well in their secondary schools.

To all the parents, staff and pupils we would like to say thank you for supporting us and our events. A very happy summer to you all and we look forward to meeting our new School Council. *Don't be afraid to apply - it's a great job!*
