

St Vincent's Catholic Primary School

Dear Parent or Carer,

Getting ready for school begins early in your child's development, well before they start school. The love and guidance that you provide your child sets him or her on the way to many years of success in school. We would love to get to know your child from your perspective. This questionnaire gives you the opportunity to pass on the important information about your child's likes and dislikes, strengths and any concerns that you may have.
