School Uniform

It is our school policy that all children wear school uniform when attending school, representing the school, or when participating in a school-organised event outside normal school hours.

Our policy is based on the notion that school uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- identifies the children with the school;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable wear for school and good value for money by most parents;
- is designed with health and safety in mind.

We ask all parents who send their children to our school to support the school uniform policy. We believe that parents have a duty and responsibility to send their children to school correctly dressed in the correct uniform, that it is clean and in good repair and they have all they need for their day.

Many uniform items can be purchased from most department stores but the uniform containing the [school logo](#) can only be purchased using our uniform website www.stitchdesign.co.uk Uniform items with the [school logo](#) are compulsory. Please always refer to this leaflet when ordering uniform.

The school office has some small items such as hats, ties, badges and water bottles available to buy, as well as our school rucksacks. The St Vincent's Parents Association (SVPA) frequently hold second-hand uniform sales for parents to buy items at a greatly reduced price.
