## Important People and Places

Mayan civilisation	The Mayan, or Maya, peoples made their home in an area known as Mesoamerica (modern day Mexico and Central America).
Christopher Columbus	Famous for discovering America in 1492 while he was searching for a new trade route to the Indies.
Mireya Moscoso	The first female President of Panama from 1999 to 2004.
Francisco Vasquez de Coronado	Explored New Mexico and the south-western United States and discovered the Great Plains of Kansas.
Erika Rodríguez Gómez	A feminist activist and a defender of Human Rights from Colombia.
Sir Francis Drake	Famous as the first to pass from the Atlantic to the Pacific coast of South America in his ship the Golden Hind.
Machu Picchu	Most familiar icon of Inca Civilisation.
Mexico	A country in the southern portion of North America.
Death Valley	A desert valley located in Eastern California, in the northern Mojave Desert bordering the Great Basin Desert. It is one of the hottest places in the world along with deserts in the Middle East.

# Progression Map Objectives

Geography	I can use maps to locate the countries of North and South America.
	I can locate the countries in North and South America, concentrating on their environmental regions.
	I can locate the countries in North and South America, concentrating on their key physical and human characteristics.
	I can locate the major cities in North and South America.
	I can study the geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom and a region in the Americas.
	I can describe and show an understanding of mountains linking to the key places I study.
	I can use digital and computer mapping to locate countries and describe features studied.
	I can use more complex ordnance survey maps, symbols and keys to build my knowledge of the United Kingdom and the wider world.
History	I can make comparisons between historical periods; explaining things that have changed and things which have stayed the same.
	I can appreciate that some ancient civilizations showed greater advancements than people who lived centuries after them.
Art	I can talk about the work of others by looking at my work in books, the Internet, visits to galleries and other sources of information.
Computing	I can 'test', amend / edit a simple computer 'game' or model or simulation to solve a problem.
	I can create an accurate program to accomplish a given goal, including the use of repetition (loops), selection (IF/ ELSE) and variables.
