Class 6 Newsletter Autumn 2018

Dear Parent/Carers,

Welcome to Class 6! I hope that you all had an exciting and relaxing summer holiday. My name is Miss Gorick and I will be the Year 6 class teacher for the coming Year. We also have Mrs Healy and Miss Hector working with us in class. Year 6 got off to a great start on their Sayers Croft field trip and all of the teachers were very proud of the children's enthusiasm and good behaviour. This term we will complete work linked to Sayers Croft during Weeks 2 and 3 and begin our World War II topic in Week 4. We are looking forward to working alongside your children and with all of you to make this year happy and successful!

Homework

Year 6 pupils will continue to receive homework on Wednesdays according to the School's Homework Policy. For more information, please refer to the guidance and information sheets in your child's yellow homework book. All homework should be completed to a high standard and returned on Monday.

P.E.

P.E. takes place on **Tuesdays** and **Fridays**. Please ensure that the children have their full PE kit in school on these days.

Children who are **horse-riding** will need: long tracksuit bottoms, PE t-shirt and heeled wellington boots.

Book Club

Our Year 6 Book Club sessions will take place every **Monday** morning. Your child will have a Book Club novel to bring home and will have several chapters to read each week. **Please ensure that Book Club novels are returned every Monday.** Your child should also have a class library book in school at all times. Please remind your child that these can be exchanged at any time. We aim for children to read at least one shorter novel each week or one longer novel each fortnight.

Please check the website and the school newsletter for dates. The website will also show you what we get up to in class!

Finally, if you have any worries or concerns, please do make an appointment (after school from 3:30-4:00pm) to come and see me and I will do everything I can to help.

Kind regards,
Miss Gorick
