# Handwriting Guidelines and Expectations Year 2

### St Vincent's follow the Nelson Handwriting Scheme which starts in Reception and continues to Year 6. Teachers have high expectations of pupil's handwriting and presentation across all subject areas.

Pupils will be taught to:

- > Form lower-case letters of the correct size relative to one another.
- Start using some of the diagonal and horizontal strokes needed to join letters and understand which letters, when adjacent to one another, are best left unjoined.
- Write capital letters and digits of the correct size, orientation and relationship to one another and to lower case letters.
- Use spacing between words that reflects the size of the letters.

#### How to support your child at home
