Class 3 Newsletter

Autumn 2019

Dear Parents/Carers,

Welcome back to St Vincent's and a very warm welcome to our new children and families that are joining us. I hope you had a wonderful summer break. If we have not already met, my name is Miss Jones and I am delighted to be the new Year Three Class Teacher for the coming year. Mrs Vieira and Mrs Casey will be the Year Three Teaching Assistants. We are very much looking forward to working with the children and with all of you, to make this year happy and successful.

This term's topic is Ancient Egypt; an exciting theme that will provide many opportunities for creative, cross-curricular learning activities. Please check the class page on the school website regularly for lots of useful links and factual information related to our topic. You can also access our class blog, which will provide lots of opportunities for discussion in class.
