Handwriting Guidelines and Expectations Year 4

St Vincent's follow the Nelson Handwriting Scheme which starts in Reception and continues to Year 6. Teachers have high expectations of pupil's handwriting and presentation across all subject areas.

Pupils will be taught to:

- Use the diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left unjoined.
- Increase the legibility, consistency and quality of their handwriting
- Space letters consistently and keep ascenders and descenders in proportion.
- The idea of writing with a slant is introduced for the first time.

In Year 4, pupils have the opportunity to earn their pen licence. When pupils are demonstrating legibility and consistency in their handwriting, pupils will receive a certificate by the teacher and use pen to write in all subject areas.

How to support your child at home
