- ▶ English and maths will be much more closely linked to topic
 - Especially important for writing, gives their work more purpose.
- ▶ Provides opportunity to develop life skills

- ▶ **Oxford Reading Tree Books** – Mrs Akhtar will change these every Friday
- ▶ **Times Tables Challenge** – Friday mornings

Reading

- ▶ Children will continue to follow the Oxford Reading Tree scheme throughout year 4.
- ▶ Comprehension is an important part of assessment-CGP sent home for reading HWK.
- ▶ Individual, group and adult led reading will take place weekly.
- ▶ Children's levels will be assessed every half term-We will be doing this next week to see what impact lockdown has had on their reading levels, this is not a test!
- ▶ Mrs Akhtar will change reading books every Friday.
- ▶ Children have class reading books in their trays too.
- ▶ We recommend at the very least 15 minutes of home reading each day. There is a direct correlation between reading, writing, spelling, vocabulary and overall attainment.

Times Tables

- ▶ By the end of Year 4, children should know all of their times tables (up to the 12 times tables).
- ▶ In the summer term, children will complete a times table check where they will be tested on all of their times tables.
- ▶ We will practise times tables in class and complete times table challenges every Wednesday morning.

Homework

- ▶ All homework will be completed online.
- ▶ Homework includes:
 - Spellings (10 words a week to be learnt)
 - Wednesday Word
 - Maths and Mathletics
 - Comprehension-Orange CGP book
 - Reading Blog
 - 4 creative homework tasks per term-Found on the class blog.

Children will be tested on their spellings every Monday morning and we will go through the comprehension homework in class so it is important that they bring in their yellow homework and CGP books.

Homework can be printed if you are unable to access it online, so far every member has had their homework printed so they are all able to complete it this half term.

Handwriting Guidelines and Expectations Year 4

St Vincent's follow the Nelson Handwriting Scheme which starts in Reception and continues to Year 6. Teachers have high expectations of pupil's handwriting and presentation across all subject areas.

Pupils will be taught to:

- Use the diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left unjoined.
- Increase the legibility, consistency and quality of their handwriting
- Space letters consistently and keep ascenders and descenders in proportion.
- The idea of writing with a slant is introduced for the first time.

In Year 4, pupils have the opportunity to earn their pen licence. When pupils are demonstrating legibility and consistency in their handwriting, pupils will receive a certificate by the teacher and use pen to write in all subject areas.

How to support your child at home
