

We have had another exciting year starting with Take Over Day in November, when we all got to meet the new director of the museum and to enjoy having Year 4 running the museum. We, the Young Curators helped to plan the summer family activities for 2017 and also gave a public tour. We all felt very proud! Both staff at the Wallace and the public were very impressed with our Year 4 pupils. This is what a visitor said "I've been to 104 countries and this was the best tour I've ever been on."

We have met wonderful professionals this year. To prepare for our 'Myths & Legends' tour in March we had a mini tour from Suzanna, a curator of 'Tales of Ovid Metamorphose'. We also got tips from Bridget who runs creative writing workshops and storytelling tips from Lynda.

Our final 'Adventure' tour was a great success. Sadly we are saying goodbye and thank you to our Year 6 curators, Kitty, Mia, Clarence and Henry as they get ready to go to secondary school. They have been inspirational and a great help to us younger curators.

We are all looking forward to meeting our new members in the new year. If you are going into Year 4 you will have fun on 'Take Over Day' why not put yourself forward to join the Young Curators? It is hard work but it is also great fun!
